

STEPHEN OCAMPO

Web Developer

PROFILE

I am interested in my field of work. I have studied and worked professionally since 2019 in the Web Development field and I love my job because I can express ideas or creativity to myself by creating professional, modern, and trendy websites. My objective is to create functional, user-friendly, secure websites that meet client requirements, adhere to best practices, and are delivered on time and within budget. I aim for continuous learning and staying updated with the latest technologies and trends are crucial for a web developer to remain competitive.
